Additional Information

Breaks during sessions 2 & 4

A 20min break is planned during sessions 2 and 4, respectively, which may be used for additional warming up.

Spectators

We can admit spectators up to a certain limit. Tickets are available at the entrance (subject to remaining availability) or online in advance at <https://tickets.asv06.de/> (plus 1 € advance booking fee). Prices are 4 € (Session 1), 8 € (Sessions 2, 3, 4 or 5) or 14 € for a day pass (sessions 2&3 or 4&5). Payment can be made directly at the door (cash, PayPal or credit card) or online. Tickets purchased online are available for collection at the entrance and must be collected 30 minutes before the start of the session. Tickets that are not collected in time will go on sale again. For questions about ticket orders, please contact isf-tickets@asv06.de.

Cafeteria

We are pleased to be able to offer you a cafeteria. You can find the cafeteria close to the athletes' entrance! Spectators can access the cafeteria via Sankt-Josefs-Platz. Please note that the cafeteria's main opening hours are focused on sessions 2 and 4.

Parking situation & limitations

We suggest to pay attention when parking your car: parking violations are regularly checked by the city of Aachen. We recommend using the multi-storey car park "APAG Adalbertsteinweg" (walking distance to the pool: 600m; <https://www.apag.de/de/parkobjekte/parkhaus-adalbertsteinweg>) or the public parking spaces along the streets around the pool (You can either get a parking ticket from the machine or use the EasyPark app).

Please note: All parking spaces directly at the swimming pool are subject to parking disc regulations and limited to a maximum of 3 hours.

Prize Money

Up to **9,440 €** in prize money will be awarded. The money is distributed according to the following system:

A. Specialist's Rating

There is prize money available in the following categories for men and women:

100 + 200 m	Butterfly	(fly specialist)
100 + 200 m	Backstroke	(back specialist)
100 + 200 m	Breaststroke	(breast specialist)
100 + 200 m	Freestyle	(free specialist)
400 + 800 + 1500 m	Freestyle	(long-distance specialist)
200 + 400 m	Individual Medley	(medley specialist)

In each category, the highest score will be determined according to the current World Aquatics points-table. If a swimmer starts in prelims and final, the time of the final will be taken if he achieves more than zero points. For the long-distance specialists, only the two best results will be considered for the award. In each category the three best swimmers (male and female) get a prize money of **100 €, 50 € and 30 €** respectively.

B. Sprint Rating

In the prelims of all 50m-competitions and 100m ind. medley the eight fastest swimmers will get points: 10-8-6-5-4-3-2-1. The three best swimmers with the highest score from all five competitions will be awarded a prize money of **250 €, 150 € and 100 €** respectively.

C. Relays

The three best teams receive **240 €, 120 € and 80 €**, respectively.

D. Special Rating

The swimmer who gains the highest score in a single race (World Aquatics table, short course) will get a prize money of **250 €** each. Men and women are awarded separately.

E. Record Reward

For each new Festival record a premium of **50 €** will be awarded. If no new record is set up for an event, the prize money will be passed into a record jackpot. This means that next year the prize money will be 100 € for this event and so on. But the jackpot is limited to **150 €**. You can see the amount for each event in the program table.

If a record is set up in a prelim, the prize money will only be given when the swimmer also starts in the final of this event. If more than one swimmer breaks the record, only the fastest swimmer will get the reward and will be published as record holder.

Prize money and awards must be received in person. Otherwise, they will be forfeited to the organizer after the end of the competition (ASV06).
