

# Hygiene concept International SwimmingFestival

22.10. - 24.10.2021 – Osthalle Aachen

Stand: **14.10.2021**

1. In principle, the Corona Protection Ordinance of the state of NRW applies (in the version of 08.10.2021 valid at the time of the event).
2. All persons who enter the pool must either be tested (max. 48 hours old), vaccinated or recovered (3G rule).
3. This rule is checked upon admission, please have the relevant proof and proof of identity ready.
4. No persons are allowed to enter the pool who show recognizable symptoms of illness on the day of the competition, who are in quarantine or who knowingly had contact with Covid-19 infected persons in the past 2 weeks.
5. Mouth and nose protection (at least a medical mask) must be worn inside the pool, especially on all walkways. This may be removed from the starting bridge and from the clubs' seats.
6. After entering, all persons disinfect their hands using the disinfectant dispenser set up in the entrance area.
7. Only the changing rooms that are available may be used.
8. All teams are assigned their own area inside the pool.
9. The showers are used in accordance with the requirements of the Osthalle.
10. A maximum of 50 spectators are admitted after prior registration (email to [isf@asv06.de](mailto:isf@asv06.de)).  
These are assigned permanent seats in the pool.
11. During warm up, each athlete must keep a sufficient distance from one another.
12. The clubs are required to comply with the above. Monitor regulations.

Thank you!

The Board of the Aachener SV 06
